Document not affected by Public Laws enacted between January 2, 2001 and January 28, 2002

An Act:

To regulate the feeding of garbage to swine.

Section 1 of Public Law 96-468 [October 17, 1980] provided: That this Act may be cited as the 'Swine Health Protection Act'.

USC TITLE 7 B AGRICULTURE

CHAPTER 69 B SWINE HEALTH PROTECTION

Sec. 3801 Congressional findings and declaration of purpose

The Congress hereby finds and declares that--

- (1) raw garbage is one of the primary media through which numerous infectious or communicable diseases of swine are transmitted;
- (2) if certain exotic animal diseases, such as foot-and-mouth disease, African swine fever, hog cholera, and swine vesicular diseases, gain entrance into the United States, such diseases may be spread through the medium of raw or improperly treated garbage which is fed to swine;
- (3) African swine fever, which is potentially the most dangerous and destructive of all communicable swine diseases, has been confirmed in several countries of the Western Hemisphere, including the Dominican Republic, Haiti, and Cuba;
- (4) swine in the United States have no resistance to any of such exotic diseases and in the case of African swine fever there is a particular danger because there are no effective vaccines to this deadly disease;
- (5) all articles and animals which are regulated under this chapter are either in interstate or foreign commerce or substantially affect such commerce, and regulation by the Secretary and cooperation by the States and other jurisdictions as contemplated by this chapter are necessary to prevent and eliminate burdens upon such commerce, to effectively regulate such commerce, and to protect the health and welfare of the people of the United States;
- (6) the interstate and foreign commerce in swine and swine products and producers and consumers of pork products could be severely injured economically if any exotic animal diseases, particularly African swine fever, enter this country;
- (7) it is impossible to assure that all garbage fed to swine is properly treated to kill disease organisms unless such treatment is closely regulated;
- (8) therefore, in order to protect the commerce of the United States and the health and welfare of the people of this country, it is necessary to regulate the treatment of garbage to be fed to swine and the feeding thereof in accordance with the provisions of this chapter.

Sec. 3802 Definitions

For purposes of this chapter--

- (1) the term "Secretary" means the Secretary of Agriculture;
- (2) the term "garbage" means all waste material derived in whole or in part from the meat of any animal (including fish and poultry) or other animal material, and other refuse of any character whatsoever that has been associated with any such material, resulting from the handling, preparation, cooking, or consumption of food, except that such term shall not include waste from ordinary household operations which is fed directly to swine on the same premises where such household is located;
- (3) the term "person" means any individual, corporation, company, association, firm, partnership, society, or joint stock company or other legal entity; and
- (4) the term "State" means the fifty States, the District of Columbia, Guam, Puerto Rico, the Virgin Islands of the United States, American Samoa, the Commonwealth of the Northern

Mariana Islands, and the territories and possessions of the United States.

Sec. 3803 Prohibition of certain garbage feeding; exemption

- (a) No person shall feed or permit the feeding of garbage to swine except in accordance with subsection (b) of this section.
- (b) Garbage treatment requirements
Garbage may be fed to swine only if treated to kill disease organisms, in accordance with regulations issued by the Secretary, at a facility holding a valid permit issued by the Secretary, or the chief agricultural or animal health official of the State where located if such State has entered into an agreement with the Secretary pursuant to section 3808 of this title or has primary enforcement responsibility pursuant to section 3809 of this title. No person shall operate a facility for the treatment of garbage knowing it is to be fed to swine unless such person holds a valid permit issued pursuant to this chapter.
Exemption
The Secretary may exempt any facility or premises from the requirements of this section whenever the Secretary determines that there would not be a risk to the swine industry in the United States.

Sec. 3804 Permits to operate garbage treatment facility

- (a) Application; issuance
Any person desiring to obtain a permit to operate a facility to treat garbage that is to be fed to swine shall apply therefore to (1) the Secretary, or (2) the chief agricultural or animal health official of the State where the facility is located if such State has entered into an agreement with the Secretary pursuant to section 3808 of this title or has primary enforcement responsibility pursuant to section 3809 of this title, and provide such information as the Secretary shall by regulation prescribe. No permit shall be issued unless the facility--
 - (1) meets such requirements as the Secretary shall prescribe to prevent the introduction, or dissemination of any infectious or communicable disease of animals or poultry, and
 - (2) is so constructed that swine are unable to have access to untreated garbage of such facility or material coming in contact with such untreated garbage.
- (b) Cease and desist orders; suspension or revocation orders; judicial review
Whenever the Secretary finds, after notice and opportunity for a hearing on the record in accordance with sections 554 and 556 of title 5, that any person holding a permit to operate a facility to treat garbage in any State is violating or has violated this chapter or any regulation of the Secretary issued hereunder, the Secretary may issue an order requiring such person to cease and desist from continuing such violations or an order suspending or revoking such permit, or both. Any person aggrieved by an order of the Secretary issued pursuant to this subsection may, within sixty days after entry of such order, seek review of such order in the appropriate United States court of appeals in accordance with the provisions of sections 2341, 2343 through 2350 of title 28, and such court shall have jurisdiction to enjoin, set aside, suspend (in whole or in part), or to determine the validity of the Secretary's order. Judicial review of any such order shall be upon the record upon which the determination and order are based.
- (c) Automatic revocation
The permit of any person to operate a facility to treat garbage in any State shall be automatically revoked, without action of the Secretary, upon the final effective date of the second conviction of such person pursuant to section 3806 of this title.

Sec. 3805 Civil penalties

Judicial review of any such order shall be upon the record upon which the determination and order are based.
- (c) **Collection action by Attorney General**
If any person fails to pay a civil penalty under a final order of the Secretary, the Secretary shall refer the matter to the Attorney General, who shall institute a civil action to recover the amount assessed in any appropriate district court of the United States. In such collection action, the validity and appropriateness of the Secretary's order imposing the civil penalty shall not be subject to review.

 - (1) after the expiration of the time allowed for filing a petition in the court of appeals to review such order, if no such petition has been filed within such time; or
 - (2) after the expiration of the time allowed for applying for a writ of certiorari, if such order, or such order as modified, has been sustained by the court of appeals and no such writ has been applied for within such time; or
 - (3) after such order, or such order as modified, has been sustained by the courts as provided in section 3804(b) of this title; shall on conviction be fined not more than \$10,000, or imprisoned for not more than one year, or both. Each day during which such failure continues shall be deemed a separate offense.

The Secretary, in person or by such agents as he may designate, may prosecute any inquiry necessary to his duties under this chapter in any part of the United States.

Sec. 3808 Cooperation with States

In order to avoid duplication of functions, facilities, and personnel, and to attain closer coordination and greater effectiveness and economy in administration of this chapter and State laws and regulations relating to the feeding of garbage to swine, the Secretary is authorized to enter into cooperative agreements with State departments of agriculture and other State agencies charged with the administration and enforcement of such State laws and regulations and to provide that any such State agency which has adequate facilities, personnel, and procedures, as determined by the Secretary, may assist the Secretary in the administration and enforcement of this chapter and regulations hereunder. The Secretary is further authorized to coordinate the administration of this chapter and regulations with such State laws and regulations whenever feasible: Provided, That nothing herein shall affect the jurisdiction of the Secretary under any other Federal law, or any authority to cooperate with State agencies or other agencies or persons under existing provisions of law, or affect any restrictions upon such cooperation.

Sec. 3809 Primary enforcement responsibility

- (a) State obligation
For purposes of this chapter, a State shall have the primary enforcement responsibility for violations of laws and regulations relating to the treatment of garbage to be fed to swine and the feeding thereof during any period for which the Secretary determines that such State--
 - (1) has adopted adequate laws and regulations regulating the treatment of garbage to be fed to swine and the feeding thereof which laws and regulations meet the minimum standards of this chapter and the regulations hereunder: Provided, That the Secretary may not require a State to have laws that are more stringent than this chapter;
 - (2) has adopted and is implementing adequate procedures for the effective enforcement of such State laws and regulations; and

chapter or the regulations hereunder in any State which has primary enforcement responsibility pursuant to this section.

- (b) Notification of inadequate enforcement or administration by State;
Termination of responsibility by Secretary
Whenever the Secretary determines that a State having primary enforcement responsibility pursuant to this section does not have adequate laws or regulations or is not effectively enforcing such laws or regulations, the Secretary shall notify the State. Such notice shall specify those aspects of the administration or enforcement of the State program that are determined to be inadequate. The State shall have ninety days after receipt of the notice to correct any deficiencies. If after that time the Secretary determines that the State program remains inadequate, the Secretary may terminate, in whole or in part, the State's primary enforcement responsibility under this chapter.
- (c) Request of State official
 - (1) In general
On request of the Governor or other appropriate official of a State, the Secretary may terminate, effective as soon as the Secretary determines is practicable, the primary enforcement responsibility of a State under subsection (a) of this section. In terminating the primary enforcement responsibility under this subsection, the Secretary shall work with the appropriate State official to determine the level of support to be provided to the Secretary by the State under this chapter.
 - (2) Reassumption
Nothing in this subsection shall prevent a State from reassuming primary enforcement responsibility if the Secretary determines that the State meets the requirements of subsection (a) of this section.
- (d) Emergency conditions
Nothing in this section shall limit the authority of the Secretary to enforce this chapter whenever the Secretary determines that emergency conditions exist that require immediate action on the part of the Secretary and the State authority is unwilling or unable adequately to respond to the emergency.
